

# Faiza Tabassum

B.Tech Student

ftabassum0502@gmail.com — +91-7337711143 — Ballari, Karnataka, India

## Career Objective

---

Motivated and enthusiastic B.Tech student with an interest in software development and programming. Currently developing skills in Java, Python, and C programming, with a keen interest in learning new technologies and applying programming concepts to real-world projects. Seeking opportunities to strengthen technical skills through projects, internships, and collaborative learning.

## Education

---

### Bachelor of Technology (B.Tech)

2025 – 2029

BITM College, Ballari, Karnataka

Currently pursuing 2nd Year, 3rd Semester

## Technical Skills

---

**Programming Languages** Java, Python, C

**Current Learning** Object-Oriented Programming, Problem Solving, Programming Fundamentals

**Other Skills** Teamwork, Communication, Willingness to Learn

## Projects

---

### Smart Bus Tracking System

- Worked on a Smart Bus Tracking System designed to help users track buses and improve the accessibility of transportation information.
- Contributed to the development and understanding of the project's core functionality and implementation.
- Applied programming and problem-solving concepts while working on the project.

## Areas of Interest

---

- Software Development
- Programming and Problem Solving
- Application Development
- Emerging Technologies

## Strengths

---

- Quick learner with a strong willingness to develop new technical skills
- Adaptable and comfortable learning new programming languages
- Ability to work collaboratively on academic projects
- Strong interest in continuous learning and improvement

## Declaration

---
